

Gnome Poop Printable Poem

I spied a little leprechaun
Outside on the lawn.
I hurried out to catch him
For I knew he'd soon be gone.
I tiptoed very quietly,
Sprang toward him with a swoop.
He shook his fist and disappeared,
And left behind this pile of poop!

Happy St Patrick's Day

I spied a little leprechaun
Outside on the lawn.
I hurried out to catch him
For I knew he'd soon be gone.
I tiptoed very quietly,
Sprang toward him with a swoop.
He shook his fist and disappeared,
And left behind this pile of poop!
